

VISIT TO A FUN FAIR

Last Sunday I visited a fun-fair with my friend Nandu. It was held on Nehru Maidan in my city. There were long queues at the ticket-window. We bought tickets.

It is marked by relatively less shops and more fun activities. As we hurried over the expanse of uneven ground towards it, it appeared to me like it was an island

Essay on Visit to a Fun Fair – Essay 5 words Introduction A fair is a large or small gathering of people, hawkers, vendors and others for commercial and entertainment purposes. **Book Fair** – Purpose and Significance A Book Fair is organized by group of publishers and dealers in order to promote books and improving sales. After going through these fair essay, you will get an in depth knowledge of the different types of fairs, their purpose and significance, how much entertaining, knowledgeable and fun a fair could be, especially for the children. They are only allowed three rides and one food stall selling one food. There were small temporary shops. Trade fairs are meant for selling unique artifacts, crafts, jewellery, furniture, carpets and other products. The worship lasts for nine days. **Visit to a City Fair** A typical city fair is usually held in an open field inside the city. The area of the fair could be seen marked with colorful tents meant for various fun activities like Magic Shows, Circus, Stunts and movies etc. The shopkeepers sold cloth, sane, toys, sweats, pots and pans and many other useful articles. As soon as we went there, I stood to take the entrance tickets but there was a long queue. The fair ground was crowded with people. It is one of the most important events in most villages as they have very limited modes of entertainment and these fairs play important role in their lives both socially and religiously. The rider experiences a tire driven launch every time he passes the station and you usually get 5 laps per ride. The field chosen for the fair could be small or big, depending on its availability and also on the size of the fair. The magicians were showing their tricks. The thing was also awfully expensive for what it is one ride was 4 euro. A typical Indian village fair is dominated with the fragrance of different sweets, being freshly made by the vendors. In some countries they may not have ever been to a funfair so if you can show them actual photos of candy floss, corn dogs and toffee apples they can say whether they have similar foods in their country. In modern times, book fairs have transformed into cultural and educational events, with various activities in order to keep the visitors engaged. **Conclusion** A fun fair provides a great fun activity to the children, young as well as the elderly. The fragrance of sweet and local delicacies as well as other desserts and food items dominate the air. A below-average fair that concluded my coaster riding for this calendar year. So there was a lot of crowd.
